Falk's daughter Catherine Falk is now touring states asking for legal changes that would allow children to visit their parents in the hospital or a care facility.

"When my father was very sick, my sister and I weren't given access. We couldn't see him," Catherine Falk said. Peter Falk suffered from Alzheimer's and died in 2011. His second wife kept his children from him in his last illness. "It was his last days, and you just want to spend time with your father," Catherine Falk said. She is travelling from state to state asking for a streamlined legal process that would allow children to visit their parents.
